PETITION TO DIRECTOR UNDER RULE 1.182
REQUESTING COPY OF REISSUE APPLICATION

Sir:

A request for a reissue application was filed with respect to U.S. Patent 4,906,070 with the Office in July 2003. A Notice of Incomplete Reissue Application was mailed on July 13, 2004. In response thereto, the reissue requestor filed a petition to grant a filing date. A Decision was mailed denying the petition. On June 15, 2005, the requestor renewed the petition to grant a filing date. The application is currently awaiting action on the petition.

According to rule 37 C.F.R. 1.11(b), a reissue application should be made available to the public. The undersigned has made numerous attempts to obtain a copy of the reissue application from the Office including a formal request from PTO Document Services. To date, the Office has been unable to provide a copy of the reissue application. Although the Public PAIR system includes copies of the petitions and Office responses, the original reissue documents apparently have not been scanned and entered into Public PAIR. Accordingly, the undersigned hereby petitions the Director to make a copy of the reissue application immediately available to the undersigned.

The undersigned hereby authorizes the Office to charge Deposit Account 18-2056 the petition fee of \$200 along with any additional fees that may be required to enter this petition.

ATTORNEY DOCKET NO. /

Any questions regarding this petition should be addressed to the undersigned at telephone number 703-726-6020.

Respectfully submitted,
